

ROME

Georgia Power Operating Headquarters - From I-75 North take Exit #290. Stay on GA 20 until it dead-ends at the red light. At light, take a left, and then an immediate right onto US 41. Continue straight until you reach the Rome exit. Take the Rome exit (Hwy 411) and keep straight until you get to overhead highway signs. Take GA 20 West and Hwy 27 North exit. You will be on Turner McCall Blvd. Keep straight until you get to the fourth red light. Turn left onto East 1st Street. The Georgia Power Building will be on your right after the turn. Circle the block and park on the top deck off of Turner McCall Blvd.
